

1 MILE – Pace Information & Time Limits

To ensure that roads reopen to vehicular traffic at the scheduled times, course time limits will be STRICTLY ENFORCED. Participants must maintain a pace faster than the course time limits in order to complete the race on closed city streets. Cut-off locations will be enforced on the course; runners or walkers who do not reach the cut-off location by the communicated time will be redirected to the sidewalk to finish the remainder of the event. Course time limits begin when the last participant and tail vehicle cross the start line.
